Re: U.S. EEOC v. New York State Department of Labor, 20-mc-49
Letter Motion Requesting an Extension of Time

Dear Judge Schofield,

The EEOC writes, with the consent of the Respondent New York State Department of Labor, to request an extension of the deadline for the EEOC's certification that the Respondent has complied with the subpoena issued by the EEOC. The parties have not previously requested an extension of time for this deadline.

Pursuant to the order entered on February 7, 2020 (ECF No. 3), the EEOC is to file the certification within 30 days of the issuance of the order, that is, on March 9, 2020. Although Respondent provided documents in response to the EEOC's subpoena, it appears the documents are incomplete. The parties have conferred, and Respondent is looking into the matter and anticipates having an update for the EEOC by next week. Therefore, the EEOC requests an additional two weeks—until Monday, March 23, 2020—to attempt to resolve this matter and provide the certification.

APPLICATION GRANTED.

The EEOC shall file the certification of compliance with
the subpoena no later than March 23, 2020.

Dated: March 9, 2020
New York, New York

LORNA G. SCHOFIELD
